

BPJPH · SIHALAL

# Halal Certification

Halal certification for your products with support at every stage – Halal Product Assurance System (SJPH), SIHALAL registration, LPH inspection through to certification.

## What we handle

|                                                                                             |                                                                                          |
|---------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------|
| <b>SJPH Manual</b><br>Halal Product Assurance System manual and appointed halal supervisor. | <b>Ingredient Review</b><br>Checking the halal status of every ingredient and supplier.  |
| <b>LPH Inspection</b><br>Preparing for and supporting the Halal Inspection Body audit.      | <b>Fatwa &amp; Certificate</b><br>Halal determination and certificate issuance by BPJPH. |
